Fire Exit and Loading Bay Door  
Width 1.47m  
Height 1.94m  
(to steps outside)

Fire Exit and Audience Entrance  
(for side seating, floor-level seating, and wheelchairs)  
Width 0.85m  
Height 2.08m

Fire Exit and Audience Entrance  
(for main block raised seating, and wheelchairs)  
Width 0.85m  
Height 2.06m

(These six seats removable for wheelchairs)

**NOTES**

- 1: Maximum seating capacity as shown is 134 seats.
- 2: The first row of seats around the stage (at floor level) can be removed if required, giving a slightly larger usable stage area and reducing capacity to 108 seats.
